Discussion of possible representation / further consultation response to the Boundary Commission for Wales on its review of town and community council boundaries in Pembrokeshire

Following discussion, Members asked the Clerk to arrange to send a further consultation response to the Boundary Commission for Wales, to raise the suggestion of a possible transfer of the central part of Sardis Village from Burton Community Council to Rosemarket Community Council, as it was considered a potential means to resolve the issue of the number of electors in Rosemarket CC area being less than 500 (proposer C’llr Stu Gray, seconder C’llr Jackie Prest).

The meeting concluded at 7-15pm.
